#### Hoffman Estate Sale.

The public sale of the premises Nos. 26 and 28 North Main street, under the direction of William Dorr, executor of the Hoffman estate, took place this morning at 11 o'clock. The attendance was not large and the bidding was slow. The property was knocked down to M. M. Burke, Esq., attorney for the executor and Mrs. Hoffman, for \$10,000. The figure is considered very low. The bidding would have been more lively, but for the fact that the purchase was subject to a lease of part of the premises to H. T. Titman for five years from June 1st, 1896, at a fixed rental of \$50 per month. It is believed that this made a difference of at least \$2,000 in the bidding against the property.

#### Discharging Railroaders.

Consternation spread among the brakemen on the Wyoming division of the L. V. railroad yesterday morning, when seventy-seven of their number received orders to call at the office for their time. Heretofore every through freight and coal train was manned by a conductor, three brakemen and a flagman, and every pusher engine by an engineer, fireman, and flagman. By the new order one brakeman is taken off each freight and each coal crew, and the flagman is taken off the pusher.
